If there really was a **Jewish Conspiracy** to decrease the white populations, we would see constant attacks in the **Jewish** press.

1/13

We would see “social scientist’s” encouraging families not to procreate like Jewish man Paul Ehrlich. He famously wrote “The Population Bomb” which warned of massive starvation if we didn’t immediately work on limiting of population growth.

2/13

We would see increased pornography distribution, like when Jewish man Samuel Roth, sued the state of NY to distribute Pornography and won. This country didn’t always allow Sexual debauchery as a form of “free speech.” It had to be subversively pushed under the guise of free speech.... more porn, equals less family formation...

3/13

You would see “Hardcore Pornography” being normalized by a Jewish man like Al Goldstein.

4/13

You would see a Jewish Rabbi own and distribute porn from the largest porn website Pornhub. Like Jewish man Solomon Friedman.

5/13

You would see Jews behind the creation of condoms and their distribution like Jewish Man Julius Schmid.

6/13

They would need to encourage birth control, but also invent the Birth control Pill, invented by Jewish man Gregory Pincus.

7/13

They would need to breakdown the idea of the traditional role of women in the family unit under the guise of feminism. Many leading voices, in these movements would have to be Jews like Gloria Steinem, Emma Goldman, and many more.

8/13

You also need a Jewish movie and TV industry to breakdown cultural and sexual barriers. Like the movie 9-5 which is normalizing women in the workplace, written by a Jewish woman Patricia Resnick. Or Madmen which demonizes a society were only white men worked written by a Jewish man Matthew Weiner. Even The Graduate, which was one of the first movies to openly advocate a young man sleeping with a woman twice his age was Produced, and directed by Jewish men.

9/13

You would also see Jewish business leaders promoting hook up culture. Kinda like:

- Sean Rad, Jewish founder of Tinder
- Whitney Wolfe Herd- Jewish founder of bumble
- Joel Simkahi, Jewish founder of Grindr

10/13

You would also see Jewish leadership behind most of the gay rights movements, only to then be pushed by the Jewish media. Like

- Harvey Milk- the first openly gay man to hold public office in California.
- Frank Kameny- one of the most significant figures in gay rights.
- Henry Gerber- one of the founders of the gay rights movement in the US.

11/13

You would see Jewish religious groups defending their right to abortion as a religious freedom, rather than celebrating life.

12/13

If there was such a conspiracy, you would see that while working to depopulate the white race within the borders, you would also see Jewish leaders open the borders like Alejandro Mayorkas. And Jewish billionaires fund migration like George Soros and Jewish Congressmen like Emmanuel Celler would change our immigration laws, like they did in 1965.

They would work to break us down externally and internally until eventually white culture and white people were eliminated.

Basically, you would see exactly what you see. If only it were true...

“This corruption puts an end to white culture and political distinctions, and raises the Jew up to be its masters.

-Adolf Hitler

Why does the media continue to shout "Trump is a threat to democracy"? Clearly he is not. The reason they do this, actually has nothing to do with Trump at all. You have to dig deeper to understand the motive.

If there really was a Jewish **Jewish** plot to eliminate white people, they would use their control of the media to normalize replacement.....
1/21
They would also use that media, to call it "diversity", but it would only be pushed in white majority

When you hear "read banned books" what comes to mind? **🗣️** Our media would have you believe it means books like "Gender Queer"..... one problem. That book is readily available and advertised. It's not banned at all. What do banned books really look like? **👀**

When Lee Harvey Oswald was asked if he killed JFK, he simply said. "No sir, I'm just a patsy." Oswald was telling the truth. The forces behind Kennedy's death, are the same forces leading us to war with Iran right now... Let's expose them. **🔪🇺🇸**
