

Ignorance, the root and stem of all evil

@ivan_8848

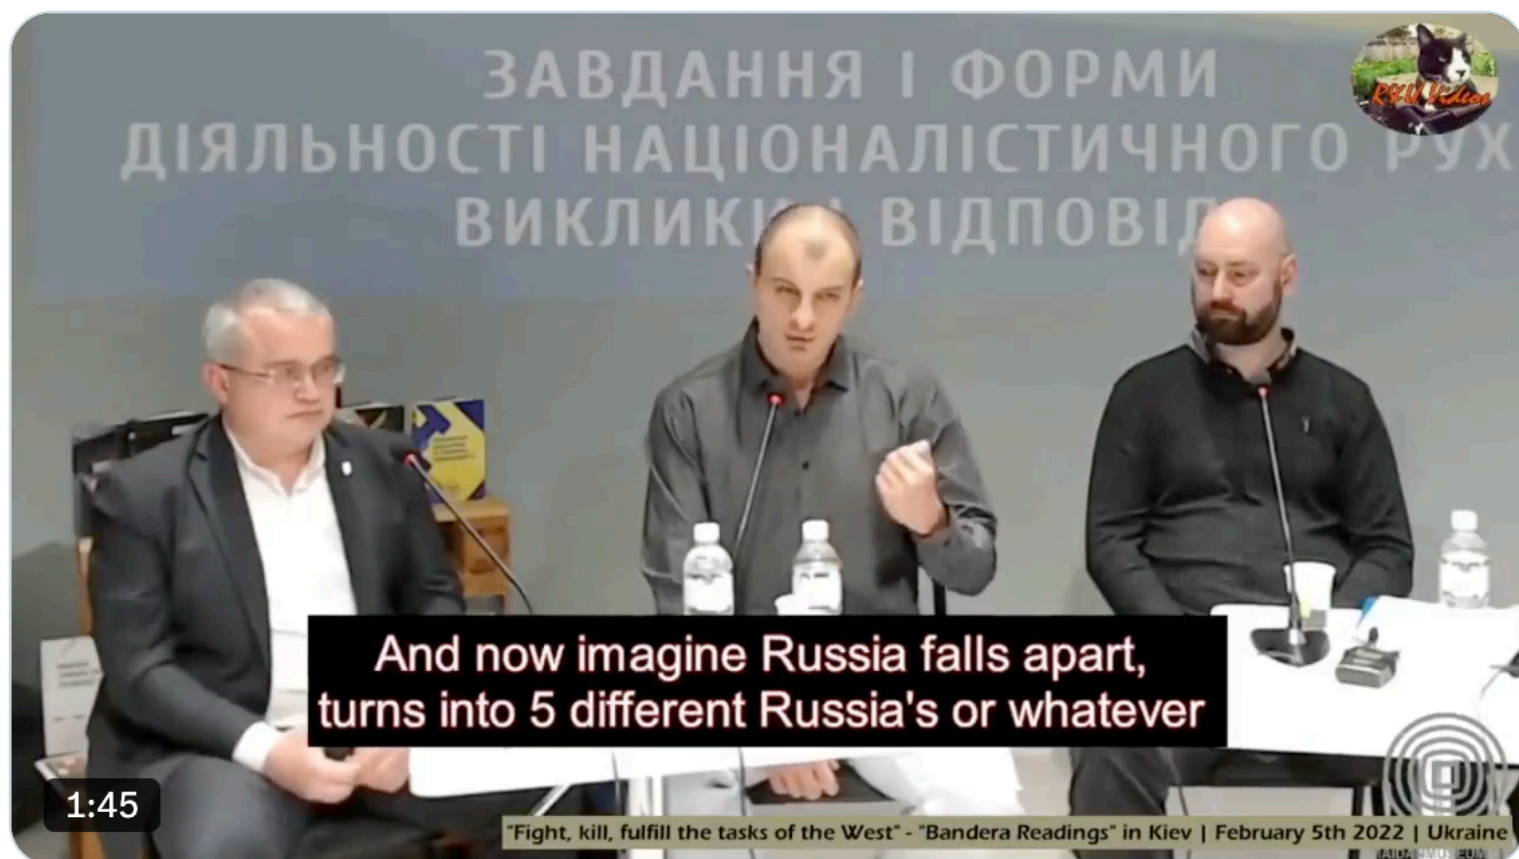

!! Yevhen Karas the leader of Ukraine's neo-Nazi terror gang C14's speech back in Feb 2020.

“We are now been given so much weaponry not because the West wants to help us... but because we perform the tasks set by the West. Because we are the only ones ready to do them, because we have fun killing, we have fun fighting.”

Why was the West arming neo-Nazi assassins to kill Russians in the Eastern Regions?

To provoke Russia into war...
